Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the Village of Benzonia with funding from the DTE Foundation, is planting 20 trees in Academy Park on October 23rd. These trees will increase tree canopy, providing environmental, human health, and aesthetic value to the village.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Covid protocols will be followed. Masks and gloves are recommended. Social distancing is encouraged. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
