PLANTING TREES, GROWING COMMUNITIES.

SATURDAY

May 7th

8:45am - 1:00pm

Commons Hall

501 S John St.

Angola, IN 46703

In just a few hours you can make a difference that can last decades! Join us on Saturday, May 7th as we plant 50 trees in the City of Angola. ReLeaf Michigan, a non-profit tree organization, is partnering with the City of Angola, Davey Resource Group, St. Joseph River Basin Commission, Indiana DNR and Michigan DNR Urban and Community Forestry Program, with funding from the USFS Great Lakes Restoration Initiative grant awarded to ReLeaf Michigan, to increase Angola's overall tree canopy and provide environmental benefits including stormwater management.

ReLeaf Michigan's experts will be there to help volunteers and oversee the event. Please wear closed-toe shoes, gloves and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!) - no experience necessary & families are welcome! See you there!

To volunteer, please RSVP to www.releafmichigan.org/rsvp
