Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the City of Au Gres, with funding from the Michigan DNR Urban and Community Forestry Program, is planting 20 trees at the City of Au Gres Riverside Campground on Friday, May 13th to increase the overall tree canopy in Au Gres, to provide shade, and to enhance the aesthetic value of the park!

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Masks and gloves are recommended. Social distancing is encouraged. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
