Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the Anchor Bay Rotary Club and Macomb County is planting 25 trees at Bertha M. Pollard Park in Chesterfield Twp. on Friday, May 12th. The trees planted are a donation from the Anchor Bay Rotary Club, which is celebrating its 75-year anniversary. These trees will add shade to three of the baseball fields at the park. Partial funding for the planting was also provided by CN Railways and America in Bloom.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
