Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the City of Livonia and with funding from the Detroit Zoological Society, is planting 15 trees at the Livonia Civic Center on Saturday, October 23rd to increase the overall tree canopy in the City of Livonia, providing environmental, health, social, and economic benefits to city residents.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Covid protocols will be followed. Masks and gloves are recommended. Social distancing is encouraged. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
