In just a few hours you can make a difference that can last decades! Join us on Saturday, May 5th as we plant 28 street trees in Hamtramck. ReLeaf Michigan, a non-profit tree organization, is partnering with DTE Energy, the city of Hamtramck, the DNR - Urban and Community Forestry Program and 'A Greener Hamtramck' to increase the overall tree canopy and provide shade and many other environmental benefits. Our ReLeaf Michigan tree experts will be there to help volunteers learn the proper way to plant and maintain trees and to oversee the event. Families are welcome!

Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!) and light refreshments will be served. No planting experience is necessary.

We hope to see you there!
