SATURDAY

October 9

9:45 am to 1:00 pm

GREEN ACRES PARK

620 W Woodward Heights Blvd.

Hazel Park, MI 48030

Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the City of Hazel Park and with funding from the Detroit Zoological Society, is planting 15 trees in Green Acres Park on Saturday, October 9th to increase the overall tree canopy in the City of Hazel Park and to provide shade and enhance the aesthetic value of the park.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Covid protocols will be followed. Masks and gloves are recommended. Social distancing is encouraged. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
