Northridge High School

56779 Northridge Dr.
Middlebury IN 46540

In just a few hours you can make a difference that can last decades! Join us on Saturday, April 24th as we plant 35 trees at Northridge High School and 15 trees in Dawn Estates in Middlebury. ReLeaf Michigan, a non-profit tree organization, is partnering with the town of Middlebury, Davey Resource Group, St. Joseph River Basin Commission, Indiana DNR and Michigan DNR Urban and Community Forestry Program to increase Middlebury's overall tree canopy and provide environmental, health, economic and aesthetic benefits.

Covid safety protocols will be in place. Volunteers are asked to sign up as a family or "team" of 3-4 individuals who have been socially distancing together. Masks are required. ReLeaf Michigan's experts will be there to help volunteers and oversee the event. Please wear closed-toe shoes, gloves and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!) - no experience necessary. See you there!

To volunteer, please RSVP to www.releafmichigan.org/rsvp
