Hudsonville, MI 49426

Make a difference in a few hours that can last decades! Join us on Saturday, November 2nd, as we plant 75 trees in the newly constructed park on the Summergreen Property in the city of Hudsonville. ReLeaf Michigan is partnering with the city of Hudsonville, Davey Resource Group, Michigan DNR Urban and Community Forestry Program and the Lower Grand River Organization of Watersheds, to increase Hudsonville's overall tree canopy and provide environmental, health and aesthetic benefits.

Parking is at Grace Community Church, 3500 New Holland St. ReLeaf Michigan's tree experts will be there to help volunteers and oversee the event. Families welcome! Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). Light refreshments will be served. No planting experience necessary. We hope to see you there!

To volunteer, RSVP to Ashley Perrin, aperrin@hudsonville.org, 616-669-0200.
