

VOLUNTEERS NEEDED FOR **TREE PLANTING**

PLANTING TREES, GROWING COMMUNITIES.

SATURDAY

September 30th

8:45 am to 12:00 pm

Meet at:

Waterfowl Park

110 E Spruce St
St. Charles, MI 48655

Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, is partnering with the village of St. Charles and the MDNR Urban and Community Forestry program to plant 20 trees at Waterfowl Park in St. Charles on Saturday, September 30th. The trees planted will replace trees taken down due to old age, construction, and poor planting placement. They will also add color to the street, beautify main street, and reduce the village's carbon footprint. The Village of St. Charles was awarded the prestigious designation of Tree City USA in 2022! The designation affirms St. Charles' commitment to the environment, positioning the village as an attractive and healthy place to live.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake, and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!

To volunteer, please sign up at www.releafmichigan.org/rsvp

Questions, please contact Hartmann Aue at 989-865-8287 or manager@stcmi.com
