

VOLUNTEERS NEEDED FOR TREE PLANTING

PLANTING TREES, GROWING COMMUNITIES.

FRIDAY
October 8th
8:45am - 12:00pm

Blueberry Park
237 S. Saginaw St.
Montrose, MI 48457

In just a few hours you can make a difference that can last decades! Join us on Friday, October 8th as we plant 15 trees in the City of Montrose. ReLeaf Michigan, a non-profit tree organization, is partnering with the City of Montrose, Priority Health, and Michigan DNR Urban and Community Forestry Program to increase Montrose's overall tree canopy and provide environmental, health, economic and aesthetic benefits. The trees will also serve to replace several large, old trees that had to be removed recently.

Covid safety protocols will be in place. Masks are recommended. ReLeaf Michigan's experts will be there to help volunteers and oversee the event. Please wear closed-toe shoes, gloves and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!) - no experience necessary. See you there!

To volunteer, please RSVP to www.releafmichigan.org/rsvp
