In just a few hours you can make a difference that can last decades! Join us on Saturday, October 16th as we plant 50 trees in the City of Sturgis. ReLeaf Michigan, a non-profit tree organization, is partnering with the City of Sturgis, Davey Resource Group, St. Joseph River Basin Commission, Indiana DNR and Michigan DNR Urban and Community Forestry Program to increase Sturgis' overall tree canopy and provide environmental, health, economic and aesthetic benefits.

Covid safety protocols will be in place. Masks are recommended. ReLeaf Michigan's experts will be there to help volunteers and oversee the event. Please wear closed-toe shoes, gloves and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!) - no experience necessary. See you there!

To volunteer, please RSVP to www.releafmichigan.org/rsvp
