Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with Ann Arbor Township and Washtenaw County Parks & Recreation Committee, with funding from the DTE Foundation, will be planting 16 trees in Parker Mill County Park and at the Township Hall on Saturday, October 2nd to increase canopy cover in the park and to provide environmental and health benefits to the township.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Covid protocols will be followed. Masks and gloves are recommended. Social distancing is encouraged. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
