Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the Village of Beverly Hills and the MDNR Urban and Community Forestry Program will be planting 18 trees at Beverly Park on Saturday, October 17th. The purpose is to restore the area after the removal of dense growth of buckthorn and dead trees.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Covid protocols will be followed. Volunteers are asked to sign up as a 'family' or a 'team' of 3 to 4 folks who have been social distancing together. Masks are required and gloves recommended. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
