PLANTING TREES, GROWING COMMUNITIES.

**Meet at: Muskegon  
Christian School**

Muskegon, MI 49442

Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with Muskegon Christian School and the DTE Energy Foundation, is planting 20 trees at Muskegon Christian School in Muskegon on Saturday, September 9th. The trees planted will create an educational resource for the school and will help reduce excess water around the playground. We will also be planting maple trees that students will be able to tap for maple syrup once the trees mature.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
