Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with Gleaner Bavarian Arbor and the City of Frankenmuth with partial funding from the MDNR Urban and Community Forestry program, is planting 34 trees along Sunburst Dr. in Frankenmuth on Saturday, April 29th. The trees planted will replace trees that had to be removed, restore the tree canopy to provide shade, and enhance aesthetic, environmental, and health benefits to the residents.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
