**Council Point Park**  
(meet in the parking lot)  
3213 River Dr.  
Lincoln Park, MI 48146

Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the City of Lincoln Park, Lincoln Park Green Team and the Michigan DNR - Urban and Community Forestry Program, will be planting 20 trees along the park path at Council Point Park on Saturday, June 5th. The trees will not only increase the overall tree canopy in the City of Lincoln Park but provide shade and other aesthetic, health and environmental benefits to park users.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Covid protocols will be followed. Masks are required and gloves recommended. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
