Meet at:
Milan High School
200 Big Red Dr,
Milan, MI 48160

Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with Milan Area Schools and the DTE Energy Foundation, is planting 20 trees at Milan High School in Milan on Thursday, October 31st. These trees will beautify the high school campus, enhance biodiversity, and provide educational benefits to the students.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake, gloves, soil knives, and pruners if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
