Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the City of Muskegon and with funding from the DTE Foundation, is planting 20 trees at Margaret Drake Elliot Park on Friday, June 18th to increase the overall tree canopy in the City of Muskegon and to provide shade along the bike path and in the park.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Covid protocols will be followed. Masks are required and gloves recommended. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
