Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the village of Northport, Northport Lions Club, Leelanau Conservation District and the Women's Club of Northport will be planting 20 trees in Haserot Park on Saturday, May 1st for creek conservation/reclamation and to increase the overall tree canopy with funding from the DTE Foundation.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Covid protocols will be followed. Volunteers are asked to sign up as a 'family' or a 'team' of 3 to 4 folks who have been social distancing together. Masks are required and gloves recommended. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
