PLANTING TREES, GROWING COMMUNITIES.

SATURDAY

May 21

8:45 am to 12:00 pm

Baldwin Park

40-76 E. Howard St.

Pontiac, MI 48342

Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the City of Pontiac, Friends of the Pontiac Parks, and Pontiac Community Foundation, with funding from the DTE Foundation, is planting 20 trees at Baldwin Park and in the right-of-way on Saturday, May 21st to increase the overall tree canopy in the city, to provide shade, and to enhance the aesthetic value of the park!

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Masks and gloves are recommended. Social distancing is encouraged. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
