Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the City of Romulus and Medline Industries will be planting 15 trees at Romulus Historical Park and Mary Ann Banks Park on Saturday, October 24th, with funding from the DTE Foundation to increase the overall tree canopy at the parks and to provide environmental and health benefits.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Covid protocols will be followed. Volunteers are asked to sign up as a 'family' or a 'team' of 3 to 4 folks who have been social distancing together. Masks are required and gloves recommended. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
