Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the Friends of Rouge Park, City of Detroit General Services Division and Big Brothers Big Sisters of Metropolitan Detroit will be planting 20 landscape trees in Rouge Park on Friday, April 30th for Arbor Day. The trees being planted are to replace those lost due Dutch Elm disease decades ago. The planting is being funded by the DTE Foundation.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Covid protocols will be followed. Volunteers are asked to sign up as a 'family' or a 'team' of 3 to 4 folks who have been social distancing together. Masks are required and gloves recommended. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
