PLANTING TREES, GROWING COMMUNITIES.

SATURDAY

May 1

8:45 am to 12:00 pm

COUNTRY MEADOWS

319 Taylor Pl.
Sparta, MI 49345

Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the Village of Sparta, Davey Resource Group, Lower Grand River Organization of Watersheds and the Michigan DNR Urban and Community Forestry Program will plant 25 trees in Country Meadows on Saturday, May 1st to increase the overall tree canopy in the Village of Sparta, with funding from a US Forest Service Great Lakes Restoration Initiative grant.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Covid protocols will be followed. Volunteers are asked to sign up as a 'family' or a 'team' of 3 to 4 folks who have been social distancing together. Masks are required and gloves recommended. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
