Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the Green Suttons Bay, the village of Suttons Bay and the DTE Energy Foundation, is planting 25 trees at Suttons Bay Farmer's Market, near the beach, and along Grove St. on Saturday, October 28th. The trees are being planted to provide shade to the weekly farmer's market and fill in grassy areas with trees.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
