Meet at:

Lexington Park

Across from 3001 Marian Dr,

Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the city of Trenton and the DTE Energy Foundation, is planting 20 trees at Lexington Park on Saturday, October 28th. The trees are being planted to help manage the park's floodplain and to replace ash trees that are succumbing to the Emerald Ash Borer.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
