Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the Troy School District, SavATree, and the DTE Energy Foundation, is planting 20 trees at Troy School District Preschool in Troy on Saturday, May 6th. The trees planted will create a tree canopy for shade, improve the aesthetics of the new school, create an outdoor learning space, and provide a fantastic teaching resource.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
