

VOLUNTEERS NEEDED FOR **TREE PLANTING**

PLANTING TREES, GROWING COMMUNITIES.

SATURDAY

May 16th

8:45 am to 12:00 pm

Meet at:
Riverside Park
321 S. McKenzie,
Adrian, MI 49221

Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, is partnering with the City of Adrian, River Raisin Watershed Council, and the US Forest Service to plant 35 trees in Riverside Park. An Urban Tree Canopy Assessment performed by project partners from the Davey Resource Group identified the planting area as a priority for stormwater management benefits. Trees planted will help to intercept rainfall, reduce stormwater runoff, and replace trees lost to invasive species and storms.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake, and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
