Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, is partnering with Bear Creek Township and the DTE Energy Foundation to plant 20 trees at Spring Lake Park on Saturday, May 16th. The trees are part of a park renovation project and will provide a buffer between the park and the road and help with water filtration.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake, and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
