

VOLUNTEERS NEEDED FOR TREE PLANTING

PLANTING TREES, GROWING COMMUNITIES.

FRIDAY

May 8th

8:45 am to 12:00 pm

Meet at:

Cadillac Area YMCA

9845 Campus Dr, Cadillac,
MI 49601

Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, is partnering with the Cadillac Area Land Conservancy, NCCISMA, Cadillac Area YMCA, Baker College, MSU Extension, Wexford Conservation District, Wexford-Missaukee Intermediate School District, and the MDNR Urban and Community Forestry program to plant 20 trees on the Baker College Campus. The trees planted will expand canopy cover at the YMCA garden area and other locations throughout campus.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake, and gloves if you have them. Event occurs rain or shine (we're a hardy group!). No planting experience necessary. Families are welcome! We hope to see you there!
