Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with Washington Township and the DTE Energy Foundation, is planting 20 trees at the Green Space Conservatory in Washington Twp on Saturday, May 30th. These trees will contribute to the growing community green space by increasing species diversity and enhancing the present tree screen.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake, and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
