

VOLUNTEERS NEEDED FOR **TREE PLANTING**

PLANTING TREES, GROWING COMMUNITIES.

SATURDAY

October 3rd

8:45 am to 12:00 pm

Meet at:

Between 606 and 608
Hickory Ridge Dr.,
Tecumseh, MI 49286

Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, is partnering with the City of Tecumseh, Re-Tree Tecumseh, River Raisin Watershed Council, and the US Forest Service to plant 25 trees in the Red Maple/ Hickory Ridge Subdivision prioritized for planting as part of an Urban Tree Canopy Assessment performed by project partners at Davey Resource Group. The neighborhood was identified as a priority for stormwater management benefits as the new trees will help to intercept rainfall and reduce stormwater runoff.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake, and gloves if you have them. Event occurs rain or shine (we're a hardy group!). No planting experience necessary. Families are welcome! We hope to see you there!

To volunteer, please sign up at www.releafmichigan.org/rsvp
Questions, please contact rereetecumseh@gmail.com.

**Thank You
to Our
Event
Partners**

This project is supported by a grant from the USDA U.S. Forest Service through the Great Lakes Restoration Initiative. This institution is an equal opportunity provider.
